REFERENCE

Concerning: Cooperation between "Southwest Microwave" Inc. and "Lirex BG" Ltd.

With the reference hereby we would like to express our satisfaction to the joint work with "Southwest Microwave" Inc. on the successful realization of security projects.

During the cooperation between "Southwest Microwave" Inc. and "Lirex BG" Ltd. we have successfully realized projects for designing and developing security systems. One of the most important projects is for developing and maintenance a perimeter secure system at Sofia Airport.

On the base of working experience with "Southwest Microwave" Inc. we consider that the equipment they offer is highest class as well as the solutions they propose. Further the company possesses high qualified employees who organize and accomplish training and presentations to the aims of better cooperation.

We recommend "Southwest Microwave" Inc. as a reliable and honest partner in realizing security projects.

Regards: 

V. Stoev /Commercial Director/
